

**LA PERLA  
JUNGLE EXPERIENCE  
4 DAYS/ 3 NIGHTS**

**May 2019**

**WED 22 Pacaya Samiria National Reserve**

**Marañón river / Ucayali river / Pacaya Samiria Natural Reserve**

The guides will be expecting your arrival at the airport with a Jungle Experiences sign for your transfer to Nauta to board the cruise M/V La Perla. As you enter into your cabin, which will be full equipped with everything you need, you will feel how this lifetime trip is about to start. The navigation will initiate in the Marañón River to the confluences of the Marañón and Ucayali rivers where the majestic Amazon begins. We suggest to take a time to go to the observation deck and enjoy the amazing panoramic view, the guides will be explaining the story of the Amazon's origin.

After getting familiar with your new environment, you will be invited to the dining room for lunch, where you will experiment our exquisite regional gastronomy, a delicious flavor celebration. Later, our guides will provide a general briefing about the trip itinerary, activities, routes, wildlife and vegetation. Our guides will be attentive to help you with any question you might have.

After lunch, you will visit the Samiria Reserve to observe the Charapas turtles. Later at night, an excursion will be offered for searching wildlife in the Amazon.

Back to the ship our naturalist guides will share more information and enrich the experiences of the day. You will be able to enjoy the local music followed by an exquisite dinner.

**THU 23**

**Yanayacu de Pucate**

**Pacaya Samiria Natural Reserve / San Regis**

This morning, you will explore Yanayacu de Pucate and enjoy a picnic breakfast in the Pacaya Samiria Natural Reserve accompanied by nature. Some pink dolphins might enrich the panorama. Also, it's possible to observe blue and yellow macaws, toucans and different types of monkeys. You will have a canopy walk where we will look for wildlife and enjoy the breathtaking view.

After lunch on board a ceremony will be held with shamans in St. Regis will take place, where you will learn about the ancient secrets of the rainforest. Later, you will be part of the tree planting ceremony.

Before dinner, a reception with live music will be held by the ship band. In the warm night, you can be part of the boat ride through Nauta Creek within Pacaya Samiria Natural Reserve which is known as the mirrored forest, which makes perfect sense as you gaze upon its glistening black water where you can observe lizards, frogs and different kinds of nocturnal animals.

**FRI 24**

**San José de Zarapanga Shiriyucu**

**Pacaya Samiria Natural Reserve / Nauta**

After a delicious breakfast, we head for the black water stream of San José de Zarapanga called Shiriyacu to fish piranhas, using traditional and local techniques, you will be surprised by the many ways there is to fish.

We will visit Kukama Prado village to learn about ancient traditions and medicine used by the ancestors; in the Peruvian Amazon are different types of traditional medicine that maybe you have not heard before. Then, you will be part of a cooking demonstration, where you can learn about local techniques and the variety of vegetables and dishes that exists in the Peruvian Amazon.

In the afternoon, a boat excursion will be offer before sunset in the Amazon River, where we can hear the sounds of wildlife, colors and symphony. At the same time, we will look for caymans, frogs, tarantulas, snakes and anacondas.

After dinner, our naturalist guides will introduce the crew members whom you may not have met, as they have been busy "behind the scenes" to create your seamless Jungle Experience.

**SAT 25**

**Nauta/Iquitos/Lima**

After enjoying your last breakfast on board. We will proceed with the transfer by bus from the city of Nauta to Iquitos.

We will have a stop in the Rescue Center Amazon - Manatee (ACOBIA), where you will be able to see and feed this beautiful animal. Then, you will have a brief visit to the city of Iquitos to observe the famous houses of the rubber boom, Fierro's house, and Belen market.
